Academic Mentorship Program

Through SB City USD, we offer 1:1 and small-group intervention services focused on building students' academic and non-academic skills. Our tutors build a positive rapport with students, identify gaps, and customize the support for students.

Ball Above ALL Assemblies

Through SB City USD, we offer a variety of engaging assemblies focused on a wide range of topics including academic perseverance, healthy mind/body, basketball drills/skills, Black History, entrepreneurship, community outreach, social justice and civic duty, art, music, and dance - DJ mixing, socio-emotional support, financial literacy.

Empower Her Podcast

Dialogue is had on the double-edged sword of being a woman, in a patriarchal society. This podcast provides insight on the creativity women adopt to survive, thrive and empower HER (our daughters). Featured Sundays during March on Live!G with the women of STN.

Chase Your Dreams

Collab with Chase Bank on this [d(inner) + (l)earn] series to support our vendors & event attendees, who are interested in improving strategies toward business-led initiatives. All D&L's will be held from 6:00 - 8:00 p.m. at our STN office in Studio D in downtown San Bernardino.
